Address House No 23, Srishti Avenue, Dhakoli,  
Zirakpur, Punjab, 160104

Dedicated and skilled Web Developer with 9+ years of experience in designing, developing, and maintaining dynamic and responsive websites. Proficient in Python / Django, HTML, CSS, JavaScript, and PHP, with a strong understanding of web development frameworks and libraries such as React.js and Angular.

Passion drives my work ethic, and I'm not hesitant to put in extra hours or handle pressure situations. However, I value a balanced and productive workflow. I am keen to learn new technologies. My working traits focus on Work commitment, Application security, Data Structures, Code Conventions, Code/project structure, Best Practices. My prime focus is on providing high quality work, with on-time delivery.
